Today's Thought

In the church of God today brotherly love is greatly lacking. Many of those who profess to love the Saviour neglect to love those who are united with them in Christian fellowship. We are of the same faith, members of one family, all children of the same heavenly Father, with the same blessed hope of immortality. How close and tender should be the tie that binds us together. The people of the world are watching us to see if our faith is exerting a sanctifying influence upon our hearts. They are quick to discern every defect in our lives, every inconsistency in our actions. Let us give them no occasion to reproach our faith. CCh page 44
