Today's Thought

But the Communion service was not to be a season of sorrowing. This was not its purpose. As the Lord's disciples gather about His table, they are not to remember and lament their shortcomings. They are not to dwell upon their past religious experience, whether that experience has been elevating or depressing. They are not to recall the differences between them and their brethren. The preparatory service has embraced all this. The self-examination, the confession of sin, the reconciling of differences, has all been done.
