Today's Thought

Jesus was the fountain of healing mercy for the world; and through all those secluded years at Nazareth, His life flowed out in currents of sympathy and tenderness. The aged, the sorrowing, and the sin-burdened, the children at play in their innocent joy, the little creatures of the groves, the patient beasts of burden,-- all were happier for His presence. He whose word of power upheld the worlds would stoop to relieve a wounded bird. There was nothing beneath His notice, nothing to which He disdained to minister.
